Comments

Invest NI welcomes the opportunity to comment on the Focussed Changes to the Lisburn & Castlereagh Local Development Plan draft Plan Strategy.

While the bulk of the proposed amendments do not need comment from the organisation, there is a small number of changes that it wishes to note.

FC7:

Invest NI notes that the wording has been clarified to align with the policy wording in the SPPS and that last use ins now included in the description.

FC14B:

Invest NI notes the inclusion of a test of feasibility and viability in regard to the undergrounding of utility services.

FC15:

Invest NI notes that policy wording is now aligned with DfI Rivers advice of June 2019 regarding flood risk in the potential inundation area of a controlled reservoir.

Invest NI acknowledges the clarity provided by the Council in sharing the Schedule of Minor Changes for information. In particular, it notes the content of MC26A, MC26B, MC49 & MC62.
