

## **Appendix A – Policy Document**

### **Policy For: Garden of Reflection, Lagan Valley Island, Lisburn.**

Why are we doing it?

A desire by a number of groups and individuals was expressed to Elected Members for the need for a neutral area creating a space whereby affected people can quietly reflect on the passing of loved ones in a tranquil garden environment.

Who are we doing it for?

For citizens of Lisburn & Castlereagh City Council area and visitors to the area, including those registering a death at Lagan Valley Island.

Benefits?

Developing an area currently utilised with amenity grass into a formal garden setting.  
Creating a specific neutral area for people to quietly reflect on the passing of loved ones.
