

LISBURN AND CASTLEREAGH CITY COUNCIL'S PEACE IV SCHOOLS' PROGRAMME

Aim:-

To develop and deliver a Schools' Programme to influence positive attitudinal change, increase shared learning experiences and tackle division, creating better all-round awareness.

Objectives:-

- To create and support single identity and shared education opportunities for children and young people
- To explore diversity and identity, develop healthy relationships, good relations and create fun activities to bond.
- To provide a platform to gather information and discuss a familial approach to addressing good relations work.
- To deliver a practical experiential project by the participants which will demonstrate the embedding of their learning.
