2. Introductions

Niamh welcomed everyone to the meeting, apologised for the short notice of the meeting and for the late delivery of the Peace IV summary document. She asked members to introduce themselves, stating which party or organisation they were representing.

3. Election of interim Chair and Vice Chair

Niamh explained that an interim Chair and Vice Chair needed to be appointed for the Partnership and asked for proposals for the position of Chair.

Cllr Jonathon Craig was proposed by Cllr Mackle and Seconded by Ald Martin. There were no other nominees.

Resolved: Cllr Craig elected as Chair to the Interim Peace Partnership.

Cllr Craig then asked for proposals for the position of Interim Vice-Chair. Ald Martin was proposed by Cllr Walker and seconded by Cllr Craig. There were no other nominees.

Resolved: Ald Martin elected as Vice-Chair to the Interim Peace Partnership.

4. Peace IV Update

Niamh set the context for Peace IV, outlining the timeframe, consultations completed to date, implications of Brexit and informed the members of the new deadline for submission of the Peace application as 14th September, set by SEUPB to accommodate the Autumn statement (in late November). She explained that this had put added pressure on staff to get the Peace application finished and submitted on time.

5. Summary of Peace IV Programmes

Niamh invited members to review the document entitled Draft Peace IV Summary Plan. Along with the Blu Zebra consultant, Therese Hogg, Niamh systemically went through the proposed programmes (13 in total) under the 3 themes of Children & Young People, Shared Space & Services and Building Positive Relations and invited feedback and comments from the members. Lengthy discussions ensued about the outlined content of the programmes. Members made suggestions on the summary plan and agreed, given the short turnaround time, that if there was any further feedback on the content presented, to email Niamh by Wednesday 7th September. Peter Croy requested that the list be updated with outcomes attached to each programme. Members agreed to endorse the Peace IV plan based on the programmes presented and subsequent input and feedback.
